Every Little Capsule Carries a Big Dream

INTRODUCTION • Established in 1984, Alpha Inc. has been selling capsule toys to share dreams and happiness with kids and impress them for many years. Nowadays, Japan has a declining birthrate, and children's entertainment becomes more and more digitalized and diversified. Under these conditions, as a professional capsule toys sales agency, we strive for fascinating products, amazing services, excellent human resources, and high customers' satisfaction to explore new sales channel. In addition, we actively develop original products to become more competitive. We will keep sharing big dreams and happiness through our little capsule toys, and contribute to the development of imaginative, caring, and energetic children.
